My wife and I are very grateful to God for allowing our daughter, to be part of this school. For us it was a very rewarding experience as we were able to help in the education of our daughter and we feel very grateful for all the support we received from the ministry and staff of BCA school, especially from the director Maureen Katase. She always accompanied us, supported and supervised us throughout the years and all academic process through out the years.

Each year we received the information needed and gave us guidance on all that we should do to keep us accountable for curricula and academic projections. We consider this to have been the best education for our daughter.

BCA was always very kind in answering any questions we had. They also guided us through parent training meetings, academic projection meetings, Zoom meetings, academic advising, preparation and orientation for the CAT National Exam, the semester and annual academic evaluation, graduation meetings, etc.

In this brief testimony we want to highly recommend this beautiful Home School ministry and Beacon Christian Academy for the wonderful experience of being enrolled with them. I recommend that you enroll your children as they will have great educational support, a beautiful experience and excellent academic followup for your children.

Finally, I once again congratulate Maureen Katase for her excellent performance as academic director of this school. Blessings!
